

Women in Our Hospitals

Appalling Increase in the Number of Operations Performed Each Year—How Women May Avoid Them.

Going through the hospitals in our large cities one is surprised to find such a large proportion of the patients lying on those snow-white beds, women and girls, who are either awaiting or recovering from serious operations.

Why should this be the case? Simply because they have neglected themselves. Ovarian and womb troubles are certainly on the increase among the women of this country—they creep upon them unawares, but every one of those patients in the hospital beds had plenty of warning in that bearing-down feeling, pain at left or right of the womb, nervous exhaustion, pain in the small of the back, leucorrhoea, dizziness, flatulency, displacements of the womb or irregularities. All of these symptoms are indications of an unhealthy condition of the ovaries or womb, and if not heeded the penalty has to be paid by a dangerous operation. When these symptoms manifest themselves, do not drag along until you are obliged to go to the hospital and submit to an operation—but remember that Lydia E. Pinkham's Vegetable Compound has saved thousands of women from surgical operations.

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhoea, displacement or elevation of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating (or flatulency), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, lassitude, excitability, irritability, nervousness, Lydia E. Pinkham's Vegetable Compound succeeds where others fail.

Apologies of the Seventeenth of March, memorable to every son of Erin, Lippincott's Magazine for that month prints one of Vincent Harper's best Hibernian sketches called "The Second Nocturn of St. Patrick."

ness, sleeplessness, melancholy, "all gone" and "want-to-be-left-alone" feelings, they should remember there is one relief and true remedy.

The following letters cannot fail to bring hope to despairing women.

Mrs. Fred Seydel, 413 N. 54th Street, West Philadelphia, Pa., writes: Dear Mrs. Pinkham—

"I was in a very serious condition when I wrote to you for advice. I had a serious womb and ovarian trouble and I could not carry a child to maturity, and was advised that an operation was my only hope of recovery. I could not bear to think of going to the hospital, so wrote you for advice. I did as you instructed me and took Lydia E. Pinkham's Vegetable Compound; and I am not only a well woman today, but have a beautiful baby girl six months old. I advise all sick and suffering women to write you for advice, as you have done so much for me."

Miss Ruby Mushrush, of East Chicago, Ind., writes:

"I have been a great sufferer with irregular menstruation and ovarian trouble, and about three months ago the doctor, after using the X-Ray on me, said I had an abscess on the ovaries and would have to have an operation. My mother wanted me to try Lydia E. Pinkham's Vegetable Compound as a last resort, and it not only saved me from an operation but made me entirely well."

Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best. Mrs. Pinkham invites all sick women to write her for advice. Her advice and medicine have restored thousands to health. Address, Lynn, Mass.

Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

The novelty of Lippincott's Magazine for March is from the pen of an author-soldier who promises to win some of Captain King's Laurels. He is Captain Archibald W. Butt, and his tale of North and South after the Civil War is well called "On Both Sides of the Shield."

Mr. Borem—May I have the pleasure of this waltz, Miss Luvvey?

Miss Luvvey—Excuse me, please—I don't care to dance.

Mr. Borem—Then I shall take great pleasure in sitting here and talking to you until the waltz is ended.

Miss L.—Oh! Let's dance!

DANVILLE.

March 6, 1905.

C. A. Hill and wife were visiting the latter's parents at Frogtown Sunday.

Mr. Scott Ludwick and Miss Anna Knauer spent Thursday with Thomas Pence and wife at South Liberty.

Our township "dads" were in session Friday and transacted such business as came before them in a financial way. They still have a neat surplus of about \$500 in the treasury. They are talking of buying the township a stone crusher, something that we are greatly in need of from the present appearance of the road.

Our old friend and neighbor, Geo. Caley, who has spent the past year at Syracuse, N. Y., is to locate here again. We welcome such good people among us.

Otto Setty, of Webertown, spent Sunday with relatives here.

Miss Lizzie Hawk entertained at dinner Sunday the following: Misses Hazel Shaffer, Verne and Vaughn Roush, Ruth and Cora McLaughlin.

Fred Smith and family, of Winkle, attended Sunday School here Sunday and were guests of Lewis Pence and family for dinner.

Mr. and Mrs. Lawrence Huggins, of Winkle, spent Sunday with the latter's parents, Doctor Sanderson, and wife.

Among those who attended stock sale Saturday were three of our old traders, Bruce Jones, Willie Shaffer and Ed. Knauer.

Mrs. Ida Clements is very poorly at this writing.

Clifton Vanzant entertained about one hundred guests Sunday afternoon with music on the graphophone.

The main subject now seems to be chair peddling. This little burg affords quite a number in that line of business, and all that are contemplating "bitting the road" the coming summer are getting any old conveyance ready, from a wheel-barrow to a traction engine.

Bruce Jones has purchased a new wagon. He now has one of the best outfits that leaves this place.

Miss Anna Knauer entertained at dinner Sunday: Misses Bessie Jones and Clarus Knauer.

We are sorry to hear of the death of one of our oldest citizens, Robert Hatcher. Although living near New Market he attended the Christian Church at this place, and was always ready and willing to serve his Master. He will be greatly missed among the members here and in his home. The interment takes place at Union at 10 o'clock this morning.

Paul Laurence Dunbar, whose obituary has been prematurely written by hasty friends, contributes to Lippincott's Magazine for March a little vignette of fiction called "The Churching of Grandma Pleasant." It is of an old lady who was summoned before the body spiritual for singing "Comin' Thro' the Rye." She was acquitted in a vigorous way.

CURES CATARRHAL DEAFNESS.

One Week's Use of Hyomel Did More Than Six Months' Treatment by Specialists.

In the treatment of deafness, which is often a result of catarrh, Hyomel acts almost immediately upon the inflamed membrane and the hearing begins to return at once. A few days treatment will bring relief, and in three or four weeks, according to the severity of the case, a cure will be accomplished.

Miss Meeks, of Mattewan, N. Y., says: "Hyomel is truly wonderful. I have used it but a short time and see a great change in my condition. My hearing is improving rapidly, and I had no idea I would improve so rapidly in so short a time. My breath, which was so offensive to myself and others, has lost its bad odor entirely. I have spent a great deal of money with catarrh specialists and can truly say that six months of their treatment is not equal to one month of Hyomel."

The W. R. Smith Co. are selling Hyomel upon the usual plan of agreeing to return the money if the medicine does not cure.

A complete outfit costs only \$1.00, and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomel. The inhaler will last a lifetime and there is enough Hyomel for several weeks' treatment. Additional bottles of Hyomel can be secured for 50 cents. Compare this small expense with the fees charged by specialists and then remember that if Hyomel does not cure The W. R. Smith Co. will return your money.

The Great Humorist was bathed in perspiration. Ever and anon a groan was forced from between his clenched teeth, and he clutched with trembling hands at his throbbing brow.

"Will it never work out?" he muttered. "Now how can I involve a situation where good-bye kisses are a drug on the market? For only thus can I work up to the nub of the joke, where 'she' acknowledges that they are the Cream of Ta-ta!"

"Your father is very kind and polite to me, Miss Fleyme," chortled Freddie Fetherpot. "Do you know, when I called on you the other evening, I forgot my overcoat in leaving. And the dear old gentleman hurried after me all the way to the corner to bring them to me!"

"Yes, I know," murmured Miss Fleyme, absently. "He was afraid you might come back after them the next evening!"

EXPRESSIVE NAME FOR INDIGESTION.

The W. R. Smith Co. Have Simple Remedy That is Guaranteed to Cure the Trouble.

No one word better expresses the condition of the sufferer from weak stomach or indigestion than "misery." The stomach is weak and cannot digest the food, so that there is no appetite, there are pains and gripping in the stomach and bowels, the head and back ache, and the misery goes to every organ.

Strengthen the stomach and the digestive system by the use of Mi-o-na. This is the only stomach remedy known that gives relief by strengthening the stomach and digestive organs. It is this principle that makes it a certain cure for indigestion. Other medicines may give temporary relief by helping digest the food, but they do not strengthen the stomach, and that organ gets weaker and weaker all the time.

The W. R. Smith Co., the reliable druggists, have so much confidence in this remarkable remedy that they guarantee a cure or the money will be refunded. Mi-o-na costs but 50 cents a box. Ask to see the strong guarantee given with every box.

Mi-o-na is in tablet form and should be taken before each meal. Other remedies for stomach troubles and indigestion are taken after the meal, and decompose the good food you eat, and Mi-o-na used before eating strengthens the stomach, soothes and heals all irritation and inflammation, enriches the blood and puts the stomach in such a healthy condition that it will take care of the food itself and there will be no pain and suffering.

It is not so very many years since it was supposed that a woman, though capable of teaching, was not qualified to hold a position as superintendent of schools, says the March Pilgrim. But the "world do move," and Colorado has in the newly elected State Superintendent of Public Instruction a woman who has made teaching her life-work. Miss Katherine L. Craig is a woman of ripe experience, and demands the confidence of her colleagues, yet is young enough to have an enthusiasm in her work. She has an enviable record among educators for executive ability, is a good disciplinarian, and is in harmony with all the best thought and latest methods in pedagogy. Miss Craig has considerable literary talent, and illustrates her writings with pen-and-ink sketches.
